FOXDO SNOWSUIT

This clever little fellow has set out to capture your heart by storm! His fluffy (detachable) fox tail and his big, pointed ears make him a very successful hunter! When he's not out hunting for children's and parents' hearts, he loves to hit the slopes with his speedy feet - as the saying goes: a rolling stone gathers no moss!

LIODO SNOWSUIT

A king as he is described in the book - brave, strong, with the most stylish mane under the African sun, and no one can snore as loudly as our LIODO! Some call him a daydreamer... Wee say: he simply has a huge, colorful imagination, and Wee love it!

PUPPYDO

SNOWSUIT

WUFF, WUFF, WOOOOOM - This little stinker will have you wrapped around his finger! With his cute spots, the wagging, curled tail and the black belly insert he looks quite cute, but he can not be tamed for a long time!

Be a Flamingo! Stand tall! Stand out!
 Stay balanced! This pink, light-footed
 feathered friend knows how work-life
 balance works - whether it's daredevil
 descents or powdery relaxation at après
 ski - FLAMINGDO knows how to do it!

FLAMINGDO SNOWSUIT

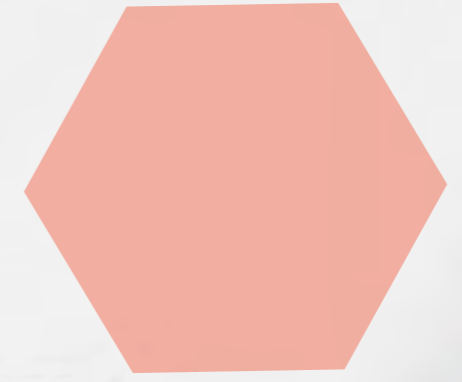

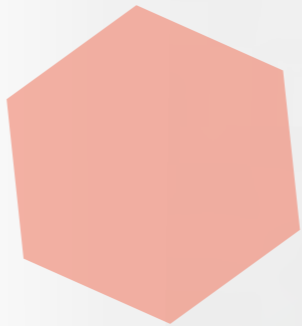

UNIDO SNOWSUIT

This unicorn stands with both feet firmly in the glitter! Confident and elegant - that's how you see this pastel-colored mythical creature with fluffy, colorful mane floating across the slopes. You don't believe in unicorns? But they believe in you!

LILIDO SNOWSUIT

You think a girl monster can only pink?
You thought wrong! LILIDO got a mint-
green fresh-up and is therefore ready
to show the monster boys where it
goes! Want to cool down?!

MONDO SNOWSUIT

What's green? What's reflecting? Our old buddy - the green monster - just came out of the magic ball! Attention! In front of us is a MONDO NEXT LEVEL! We are dazzled by this jagged high flyer! ROAR!

You like to collect reflective things? You love to hop happily down the slopes for no apparent reason? You squawk loudly when you see your friends? Than this CROWDO is the perfect partner for you! „Let's be loud and happy together!“

It's time!

We have always believed in it, kept an eye on the current state of science, and eagerly awaited this milestone in the history of the textile industry:
From Textile to Textile is now possible without loss of quality when recycling old clothes made of polyester!

The Japanese company Teijin has been researching a complex process to obtain new polyester yarns from old fibers since 1998. The successful method registered a patent at the beginning of 2022. It has been licensed to only one factory in China so far, which I visited in May this year to see for myself.

For WeeDo season AW24, we are using fibers obtained from old clothes for the first time.

We are super happy and more confident than ever that a fully circular economy works in the future!

-Antje-

KARMA

WHAT GOES AROUND, COMES AROUND!

CIRCULAR ECONOMY!

OUR VISION: fun clothes for kids and new solutions for their future. We want to close the littering loop from textile to textile!

GOODBY WASTE!

We use fabrics from recycled PET bottles, recycled textiles or overproduction.

SHORT DISTANCES!

Our partner companies and suppliers are situated close to each other.

DRINKING WATER WITHOUT CHEMISTRY!

Our materials are BLUESIGN® certified. We use PFC-free DWR Impregnations to make our fabrics waterproof.

FAIR IS THE WAY FORWARD!

Our funwear can only be produced by those who pay and insure their employees fairly, give them sufficient holidays, and look after their welfare.

POLLUTANT FREE AND FUN!

With 3M reflectors for maximum safety. Without Ugh!

GREAT INSIDE AND OUT!

Our funwear is wrapped in bags made from recycled PET bottles. That makes them reusable and durable.

Our Cosmo Line takes you to faraway galaxies with new, fascinating prints. Dive into the icy realms of majestic polar bears, explore the mysterious universe or venture into the wild jungle. With our snowsuits, you're not only well-equipped to tackle any challenge, but they're also a statement of your unique personality.
